Features

- Heavy Duty, all welded, 14 gauge steel construction
- Doors have 3-point locking handles & 2 keys
- 6"H - 3/16" thick base/legs with pre-drilled holes provided for lagging to floor
- 12" vice support
- Full extension drawers on model 3404-95 & 3405-95
- Environmentally friendly, durable, gray powder coat finish
- Ships fully assembled

Benefits

- Strong, will not loosen at key stress points
- Perfect for storage of items where security is important
- Also provide access for forklift trucks
- For additional work space or support for a vice
- Each drawer holds up to 250 lbs., evenly distributed when fully extended
- Four times thicker than wet paint; resistant to corrosion & rust
- Ready for use

Applications

These workstations are perfect for storing, organizing & securing a wide range of supplies & tools in areas such as garages, job shops & manufacturing facilities.
